

Bosses for Moto-Lita Steering Wheels

This list is to assist you in selecting the boss to suit your car. Each boss comes with a standard cap and is normally painted black. They will take either a flat or dished steering wheel, or either, to suit the car. The standard horn button or cap can be replaced with a polished horn push or cap, see separate listing

<i>Make</i>	<i>Model</i>	<i>Type of Wheel</i>	<i>Boss Part No.</i>
AC	Ace/Aceca. Accepts OE horn control	F	098.B7
AC	Cobra to fit Moto-Lita Steering Wheels	D	098.B25
AC	Greyhound		Special Order
